A first-term senator from Nebraska, Sasse has withstood heavy fire for sticking to his principles, even when it defies D.C. politics. For Sen. Sasse believes in a humbler Washington, where the federal government does fewer things, but the more important things, more urgently, more transparently, and with less partisan screaming.

And on Saturday, Nov. 18, Sen. Sasse will be coming to the Des Moines Marriott Downtown to share with YOU a message on thinking bigger than politics as usual.
