

Common Core

What is Common Core? Where did it come from? What will it do?

The issue of Common Core is a complex one, but it can be understood, and it is important that everyone understands what it is all about.

The FAMILY LEADER brought in David Barton last November to address this issue specifically. David has been guest host for Glen Beck on his programs, and is a frequent guest.

This presentation is probably one of the best you will see on what Common Core is, and what should be done about it:
