

Help pass the Protect Life Amendment

Iowa's unborn children urgently need to know they can count on you!

Our courts are working to legalize ALL abortions, at any time – **even up to the day of a baby's birth** – and make YOU pay for it!

Read how a radical Iowa Supreme Court decision threatens to make Iowa the most pro-abortion state in the country!

This December, Iowa's babies need LOTS of people who will say **#CountOnMe** to protect children's lives from Iowa's radical courts.

Your urgent gift today will help pro-life Iowans pass a state constitutional amendment protecting life from radical judges who would legalize late-term abortion.

Ratifying the Protect Life Amendment will ultimately take a lot of money ... *but not today*. **Today**, we simply need LOTS of people who are willing to donate **even just \$3** to show Iowa's courts and legislators that we mean business.

Can Iowa's babies count on you? Your friends? Your family?

Remember, it's not the amount you give that's important right now, but just that you are counted among those who give to protect babies.

Even just \$3 sends a message that Iowans are willing to put their money where their mouth is and say **#CountOnMe** to protect unborn babies!

[Donate Securely Online](#)

And **tell your friends!** Give them the chance to stand up and be counted too! Get the word out with the hashtag **#CountOnMe**. The more who give, the more we can show Iowa's legislators we stand with them in protecting mothers and babies!

***Stand up and be counted today! Tell Iowa's babies,
"You can #CountOnMe!"***
