

Homeschool Day at the Capitol

The FAMiLY LEADER was the event sponsor of Homeschool Iowa's (formerly NICHE) "Homeschool Day at the Capitol" conference on March 18.

The day started out at the Iowa Capitol, with a display in the rotunda, speakers addressing school choice and parental rights, and an opportunity for folks to meet their legislators

and get to know them better.

Then everyone moved a few blocks away to the Marriott, where they held an educational session with many different types of speakers. The turnout was tremendous, and the room was very full!

The FAMiLY LEADER set up a display and had some great opportunities to connect with new supporters!

TFL Team Member, Dave, is on the left

The FAMILY LEADER's President, Bob Vander Plaats, was honored to address the audience, and share with them the reason we are such a strong supporter of school choice and parental rights.

The FAMIly LEADER thanks Homeschool Iowa for their hard work and putting on an excellent event!
