

In Memory of the Sacrifice

Throughout the Scriptures, God continually reminds us to “remember.” We are to remember who we are, what our heritage is, and that Christ’s death was required to make freedom from sin possible.

As citizens of the United States of America, we also have a responsibility to remember our heritage, and that it took the death of thousands to make freedom possible.

Even if you have a busy day scheduled, please make time to stop and thank God for the sacrifices which made our freedom possible, and remind your children of the same.

We must not forget.
