

TFL Capitol Connection, Ep. 13: Protect Life Amendment needs you NOW

There are only a few weeks or days left in this Capitol session, and the Protect Life Amendment to the Iowa Constitution hangs in the balance.

NOW is the time for pro-life Iowans to make their voice heard!

In the following video, The FAMiLY Leader's Chuck Hurley and Danny Carroll break down how and why Iowa's mothers and unborn children need YOU to act TODAY:

Use this quick and easy form to contact YOUR legislator and ask him or her to pass the Protect Life Amendment!

As Danny explained, should the House continue its work and pass HJR5 as amended, the Protect Life Amendment will need to be passed by the next Iowa General Assembly (in 2023 or 2024) and then go before Iowa voters for ratification.
