The FAMiLY LEADER Announces Danny Carroll as State Chairman

Urbandale, IOWA – The FAMiLY LEADER announced today the appointment of Danny Carroll as State Chairman for The FAMiLY LEADER's Ambassador Network. TFL's Ambassador Network has already identified and engaged thousands of Iowa citizens and churches who desire to impact and influence our culture according to God's Word and the Founders' intent.

Greg Baker, who serves as the Executive Director for TFL's Ambassador Network, stated, "We are thrilled to have Danny in this new role. His experience and passion to engage Iowans to stand in the gap is inspiring. He is a man of utmost integrity who will make a huge difference in our efforts to build, grow and engage TFL's Ambassador Network."

TFL's President and CEO, Bob Vander Plaats, added, "Danny is a very talented and humble man who leads and serves with a focus on the current and future generations. I look forward to serving with Danny as we grow our dynamic Ambassador Network that honors God and impacts Iowa from river to river and border to border."

Many have come to know and respect Danny Carroll though his years of public service as a state legislator, Speaker Pro-tem and, most recently, Republican Party of Iowa Chairman. While Danny appreciates and is humbled by the encouragement and support he has earned in these roles, he views his most important roles as a believer in Christ, a husband, a father and a grandfather. These roles ignite his passion to serve.

In a prepared statement, Carroll remarked, "When one door closes, it always seems God opens another one. I eagerly look forward to working with The FAMiLY LEADER team and our growing network as the new State Chairman of TFL's Ambassador Network. Our goal is to inspire many churches and citizens to advance the Gospel and to pursue God's righteousness in the culture. TFL's Ambassador Network is a perfect fit for me and for many others desiring principles over politics."
