

# Join TFL to see 'Unplanned'

On Friday, March 29, The FAMiLY LEADER invites you to join us in theaters across Iowa for the film "Unplanned":

"Unplanned" is the inspiring **true story** of Abby Johnson, one of the youngest and most decorated Planned Parenthood clinic directors in the nation. She was involved in over 22,000 abortions and counseled countless women. Her passion for "choice" even led her to become a spokesperson for Planned Parenthood, fighting to enact legislation for the cause she so deeply believed in.

Until the day she saw something that changed everything.

"Unplanned," rated R\*, is the most important movie you may ever see on the most controversial issue of our time. No matter which side of the abortion debate you're on, no one will leave "Unplanned" unmoved.
