

VIDEO: Holy Week Service at Iowa Capitol

Legislators and staff, pastors and the public gathered in the Rotunda of the Iowa Capitol on April 10 to start Holy Week right and help the Capitol community reflect on Christ's purchase of freedom for us all.

From the sounds of "How Great Thou Art" sung a capella, drawing legislators out of chambers at the soul-stirring sound, to inspiring prayer and a presentation of the gospel based on 2 Corinthians 5:21, the service inspired hope in a place so often filled with human fallenness.
