June 2025

Dear Friend of the Family,

I long to see a revived America that honors God and blesses people. And I know you do, too.

To get there, we need righteous laws and leaders. But we also need something more: We need to change hearts and minds. We need a whole culture – especially our children and grandchildren – to return to the heart of God.

Is that too much to ask? Not for God!

## WHY AM I PRAISING GOD TODAY?

**This legislative session, God favored The FAMiLY Leader to help pass not one – but THREE – laws that will transform hearts and minds for generations to come!**

Over more than 25 years, friends and partners like you have equipped The FAMiLY Leader to minister at the intersection of family, church, and government.

*Join us in transforming America for future generations with your best gift today!*

God has used YOU to transform not just Iowa, but through TFL's The DANiEL Impact, to also shape dozens of states across America.

IN THIS NEWSLETTER

Protesters tried to drown out TFL's testimony during the SF418 hearing.

What Iowa's "Baby Olivia Law" will now do...

Plans for The Family Leadership Summit '25 are moving full steam ahead!

*But never have I seen a year like this one – where God moved through  
The FAMiLY Leader to advance such culture-changing legislation:*

## 1. THE SEX & GENDER CLARITY ACT

Your partnership equipped The FAMiLY Leader to be at the heart of this revolutionary legislation – influencing the bill's language, shaping public messaging, lobbying legislators, testifying in public hearings, and more.

**Thanks to your support and TFL's work, Iowa now recognizes the real, biological difference between men and women:**

- Iowa's "Save Girls Sports" law will continue to keep girls' sports for girls.
- Women's bathrooms, locker rooms, emergency shelters, and more can be reserved for women ONLY.
- Taxpayer funding of "gender reassignment" surgeries can finally be stopped.
- Iowa has taken a compassionate stand for gender-confused youth, pointing them toward God's design for a healthy understanding of sex and gender.

Through your support and by God's favor, Iowa became the first state to ever push back against the gender insanity and remove "gender identity" from its civil rights code!

*Your support of The FAMiLY Leader is leading this country back from the brink of unbiblical nonsense. Help us continue the fight today!*

## 2. TELLING THE TRUTH ABOUT LIFE

The Heartbeat Law protects thousands of Iowa's preborn children from abortion each year.

But to protect **ALL** innocent life – from the moment of conception to natural death – we must change hearts and minds about the sanctity of human life.

**Which is exactly what Iowa's "Baby Olivia Law" will now do!**

- Starting next fall, children in Iowa schools (grades 5-12) will be taught the truth about life in the womb: She isn't a clump of cells; she's a baby!
- Schools will be required to show medically accurate videos of preborn human development (like the "Baby Olivia" video created by LiveAction), revealing the humanity of the growing child.
- Young Iowans will no longer be able to dismiss preborn babies as "parasites" or "blobs of tissue", because they will have seen the truth with their own eyes!

Imparting the sanctity of human life to future generations is the next and necessary battle line in the fight against abortion. This bill is a major victory on that front – and **YOU** helped make it happen!

TFL's Ryan Benn testifies at the Sex & Gender Clarity Act (SF418) Hearing

The Baby Olivia Video being played at an elementary school in Des Moines, Iowa

### 3. TEACHING CHILDREN THE WORD OF GOD

Speaking of future generations, Iowa's public schoolchildren will now be able to learn the Bible during school hours!

- A new law creates opportunities for students to utilize "released time" during the school day to attend church-run Bible classes.
- TFL worked on this bill with our friends at LifeWise Academy, a ministry that helps local churches set up classes to reach school kids with the gospel.

*"And how from childhood you have been acquainted with the sacred writings, which are able to make you wise for salvation through faith in Christ Jesus."*

~ 2 Timothy 3:15 (ESV)

TFL's Chuck Hurley and Ryan Benn speak with a legislator during session.

### The Bottom Line

When you partner with The FAMiLY Leader, you have a significant impact – not just on our state, but also on future generations.

And even though the legislative session is adjourned for the year, The FAMiLY Leader continues to strengthen families by inspiring the Church, impacting upcoming elections, influencing next year's policy decisions, and igniting ongoing church-state partnerships that aid broken families and broken communities.

*So I'm inviting you to partner with us again, with your best gift of \$50, \$500, \$5,000, or more.  
And let's work together toward a revived America that honors God and blesses people!*

For the family,

A handwritten signature in black ink that reads "Bob".
